Series: **Generations**

Sermon: **It Keeps Getting Better**

Why does our fruit bearing potential continue to increase?

-
-
-
- We grow in wisdom (Prov. 4:5)
- We grow in holiness (1 Peter 15-16)
- We grow in grace and knowledge (2 Peter 3:18)
- And many more reasons!

God's guidelines for how to use our retirement:

- Seek God's kingdom first (Mt. 6:33)
- Keep seeking the things above (Col. 3:1-2)
- Give Jesus first place (Col 1:18)
- Store up treasures in heaven (Mt. 6:19-20)

- What did God use most to get your attention from the message?
- What steps might you take to bear greater fruit in your season of life?
- Would it be OK if we ask you about your progress next week?
