

2020 LEADERSHIP BOARD BALLOT

☐ I am an official member of Emmaus Church and am at least 15 years old.

Please vote for two (2) of the following to serve a two year term on the church board:

Melissa Garguilo: I've been a part of Emmaus since 2017. Michael and I moved here from our retirement home in Oregon to be near our children and grandchildren. I've been involved with small groups, children's ministry, and have taught in a Christian Preschool. As a family we served in Youth With A Mission for 9 years in Europe, working with refugees and The School of Biblical Studies. I've been blessed to be a part of Women's Ministry here at Emmaus.

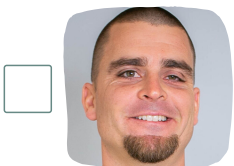

Joe Gleason: I am a husband and a father. I've been at Emmaus since 2014 assisting in setup and in kids ministry and have prior experience in youth ministry. I work as an engineer in the tech industry and enjoy time with my family, being active, and continued growth and learning.

Jeff Jenkins: I worked in the Alaska oil and gas industry for 22 years, followed by five years as an adjunct professor at the U. of Alaska. My wife Connie, and I have been part of Emmaus since 2013. I've served on the Board since 2016 and as volunteer facilities manager since we moved into the Theater in 2017.

Tony Kirk: I have been in the local real estate business since 1989 and I am currently an independent real estate broker at Kirk Real Estate. Prior to that I had a management career in the hospitality industry. In my past affiliation with a local church, I served on the board and in children's, marriage, and men's ministries. I have been at Emmaus just over 2 years and currently serve on the Communion and Greeting Teams. Lynda and I have volunteered at The Foundry Thanksgiving Dinners and have served with the Events Team on several of the special activities throughout the year. I enjoy fly fishing and I am an avid reader.

Jeremy Van Vliet: I've been a part of the Church my whole life and have served in short term missions, youth ministries, bible studies, retreats, homeless ministries, and small groups. My wife, Natasha, and son, Eli, started worshipping at Emmaus in 2017, where I've served the high school and men's ministries. I'm passionate about my family and about leadership and see that my greatest opportunity to serve people is in leadership. Professionally I've been flying helicopters for 15 years and am currently Chief Pilot for A & P Helicopters.
